2,500 Attend Kankakee Unit Picnic Outing

Some 2,500 employes of the United States Rubber Co's. Kankakee Unit, including members of their families and their friends, attended a picnic held recently in Cantigny Woods on the Joliet Arsenal reservation. United States Rubber officials said that attendance at the picnic represented one of the largest gatherings of employes for a recreational event in the company's history.

Food and drinks were served from noon until 7:30 p.m. Entertainment and special programs included an intra-plant softball game, dancing, contests, and competitive games.

The picnic, sponsored by the employes, was the first in a series of plant-wide employe activities that are planned for the future, officials of the company said.
